## FOREWORD

"From the old . . . . to the new," our theme for this year's *Myndersian*, signifies much to us of the Class of Nineteen Fifty-four. The old, we know; the new, we anticipate. What bright futures are in store for us as we proceed to new experiences from our beloved old Mynderse?

Through pictures, drawings and story the staff has attempted to capture points of interest and school happenings of this our valedictory year. Thus this annual with its impressions of our high-school days becomes a memory book to be cherished through the years.

In tribute to our teachers, advisers and administrators we present this *Myndersian*, also, to express our gratitude to them for their assistance in making our years at Mynderse enjoyable and enriching ones.

on with the new"*

To understand our school one needs to meet our administrators—the Board of Education, the Superintendent of Schools and the principal and vice-principal of Mynderse. Next come the teachers and finally our health services and other important people who care for the plant and keep the buses rolling.

## BOARD OF EDUCATION

The Board's first and foremost project this year was to complete and set to use the new school, but their endeavors didn't stop there. Plans were also discussed concerning cafeteria facilities for students at the old school as well as at First Ward School and for improving upon and adding to existing elementary facilities.

For these tremendous accomplishments during the past year, we wish to salute the Board of Education.

## SCHOOL SUPERINTENDENT

To the Class of '54:

Your theme, "From the Old to the New," means more than merely starting in the old Mynderse and graduating from the new. If you have intelligently used each past failure and success experienced here at school as a stepping stone toward a gradual but sure improvement of your ability to get along with others, to stand courageously for the right, and to persevere in overcoming obstacles, the "Old" will have prepared you well for the "New."

As you and this yearbook grow older, you will come more and more to appreciate the good old days at Mynderse.

Sincerely,  
Arthur Baker

# OUR PRINCIPAL

Seniors of 1954:

Your theme is well chosen. Not only are we entering a new building, but you as graduates are about to face new experiences. We hope that the instruction you have received with us will help you to become better citizens of our country.

May success go with you.

Sincerely,

Frank W. Vogel

# OUR VICE-PRINCIPAL

Class of 1954:

The minds of sincere people can be molded in many directions. It is hard, however, to understand the deflection from loyalty of twenty-one American soldiers in Korea and of other citizens at home. Examine carefully the grandiose philosophies you may encounter, and remember always to keep your sense of values intact.

Very sincerely,

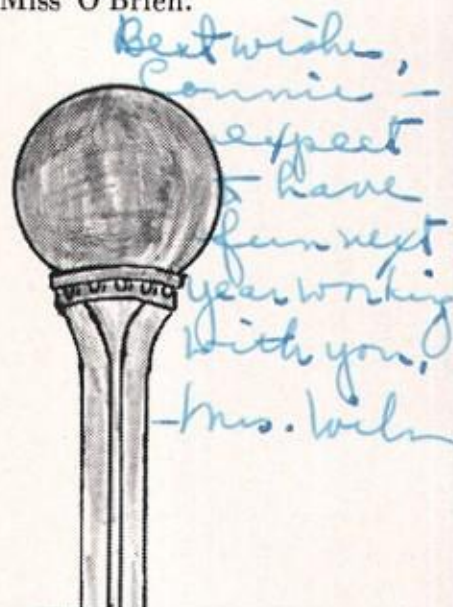

John C. Fraser

Come with us as we enter the portals of old Myn-

juniors; carefree sophomores; peagreen freshmen and  
eighth and seventh graders. These are the only class  
distinctions in our democratic school, and they rest  
solely on age and scholastic achievements.

#### OFFICERS

## CLASS OF 1954

Early last September we seniors excitedly mounted the marble stairs for the first time legally. Even we were slightly awed by our new status.

Malcolm McComb received our unanimous approval as the guiding spirit of the '54 seniors.

Vice-president Shirley Kaufman ably stood by, ready to assist "Mac" when necessary.

Secretary Anne Urquhart took notes with ease at class meetings, and Treasurer Bill Andrews tactfully put the "squeeze" on us to pay class dues.

Because of the assistance of our advisers, Miss O'Brien, Miss Smith, Mr. Becker, and Mr. Rogers, we can look back on a very successful senior year.

## JUNIOR

Last September we "Jolly Juniors" tramped up to the second floor, some to the third, and started the school year.

"Holiday on Ice," the Junior All-School Party, opened our social calendar with a bang. Food, entertainment, and dancing constituted an evening of fun.

When Christmas vacation finally rolled around, we all made the best of the two weeks. Thoroughly refreshed, we managed to slide through Mid-years.

After Mid-years we set out to plan our Junior Jumbles. The committee rounded up all the talent in the class and put it under the theme, "Jumbled Juniors." Music, dancing, and two comic skits, written by our playwright, Dick Cologgi, filled the bill.

## CLASS

On February 12, a little pessimistic, we presented the product of our labor to the school. To our delight and amazement, the students approved.

The junior play, "A Is for Apple," brought out the acting talent of many juniors. We had fun presenting this mild comedy, and as our first big production, it met with success.

The juniors and seniors were brought together for the last time at the annual Junior-Senior Party. We will always remember the send-off we gave the "Grave Old Seniors."

The Prom, the highlight of our junior activities, brought to a close, in our Mynderse, a wonderful year in a wonderful way.

## SOPHOMORE CLASS

With faces glowing with eager anticipation and perhaps a little cockiness, the Sophomore Class ascended the east stairway to our new homerooms. This marked the beginning of our last year at the present Mynderse Academy. Here we met our new teachers, elected class officers, and got into the swing of many new activities. Several soph gals repeated last year's triumph in making the J.V. Cheering squad while others were on the squad for the first time. The boys, not to be outdone, participated in all sports, J.V. and varsity, including wrestling, a new sport at Mynderse this year.

Early in the spring we met the freshmen on our annual field of rivalry, the Frosh-Soph Play Tournament. Everyone had fun and any antagonism soon disappeared.

April second found fellow classmates and hard-working advisers scrambling to decorate the gym and making last minute preparations for our yearly Sophomore Hop.

All was not gaiety and fun for our class, for a grey shadow of sadness and acute loss was cast over our class on the death of a beloved member of our ranks, Lydia Sykes, in December.

With gratitude for our teachers' guidance and aid in the past year, we look forward with great expectation to a wonderful new year in our beautiful and newly-built school.

## FRESHMAN CLASS

It was September and school had begun again. A group of frolicsome boys and girls rushed up to the third floor to start on a journey which would be a great asset to them. This was the new Freshman Class.

Our first great thrill was our election of our class officers. Success was ours, for our choice was excellent!

We planned our first dance which we considered a great success. There was fun and food for all who attended.

The Frosh-Soph Play Tournament came along next. Co-operation—we had it! Everyone was

It was lots of fun to do, because everyone worked together.

There were several clubs open to the class of '57. Almost everyone took advantage of joining the clubs that best suited his tastes.

Sports opened another field for both freshman girls and boys.

The last event for us was the Frosh-Soph picnic at Cayuga Lake. We are a little saddened to think this year has gone so quickly, but we have next year to which to look forward and the other years in the new high school.

We give thanks to our freshman advisers. Without them this year wouldn't have been the shining success that it has been.

Their main objective for the year was helping to move into the new school. They also worked for the purchase of a television set for use in the new building.

The social activities for the year included an April dance and the picnic, an annual affair, at Cayuga Lake State Park.

# THE 1954 MYNDERSIAN

Our theme, "the old order changeth," is peculiarly significant in that it marks a change in advisers for the *Myndersian*.

Miss Julia H. O'Brien, sole adviser for all twenty-nine annuals, has completed her last *Myndersian*.

Enough can not be said in appreciation for her service: for she has given freely and patiently of

her time and talents from her inexhaustible store of ideas, information, and experience.

Besides this, she has managed a full teaching schedule, extra scholarship classes, and multiple duties as senior adviser. We of 1954, sure that we speak for all the classes before us, extend heartfelt thanks to Miss O'Brien.

# MYNDERSE MICROPHONE

At their annual May banquet the *Microphone* members regretfully said goodbye to Miss Compitello as the original and current school paper adviser. Miss Compitello deftly guided the *Microphone* from its embryo stage to the present highly-rated newspaper that has consistently won awards for journalism excellence. OFFICERS - ADVISER

The Wig and Rouge, under the direction of its able adviser, Mrs. Plumber, began the year with the election of officers and the initiation of new members. This group were guests at a party after they had been formally accepted.

Members of the club gave a short dramatic presentation in the music department's Christmas assembly. Others assisted in the make-up for the class plays and Rotary and Kiwanis shows.

Many of the club members attended Shakespeare's "Macbeth," as presented by Ithaca College.

With spring came the annual Frosh-Soph Play Tournament. Since members of the club directed the plays, the competition was extremely close, as usual.

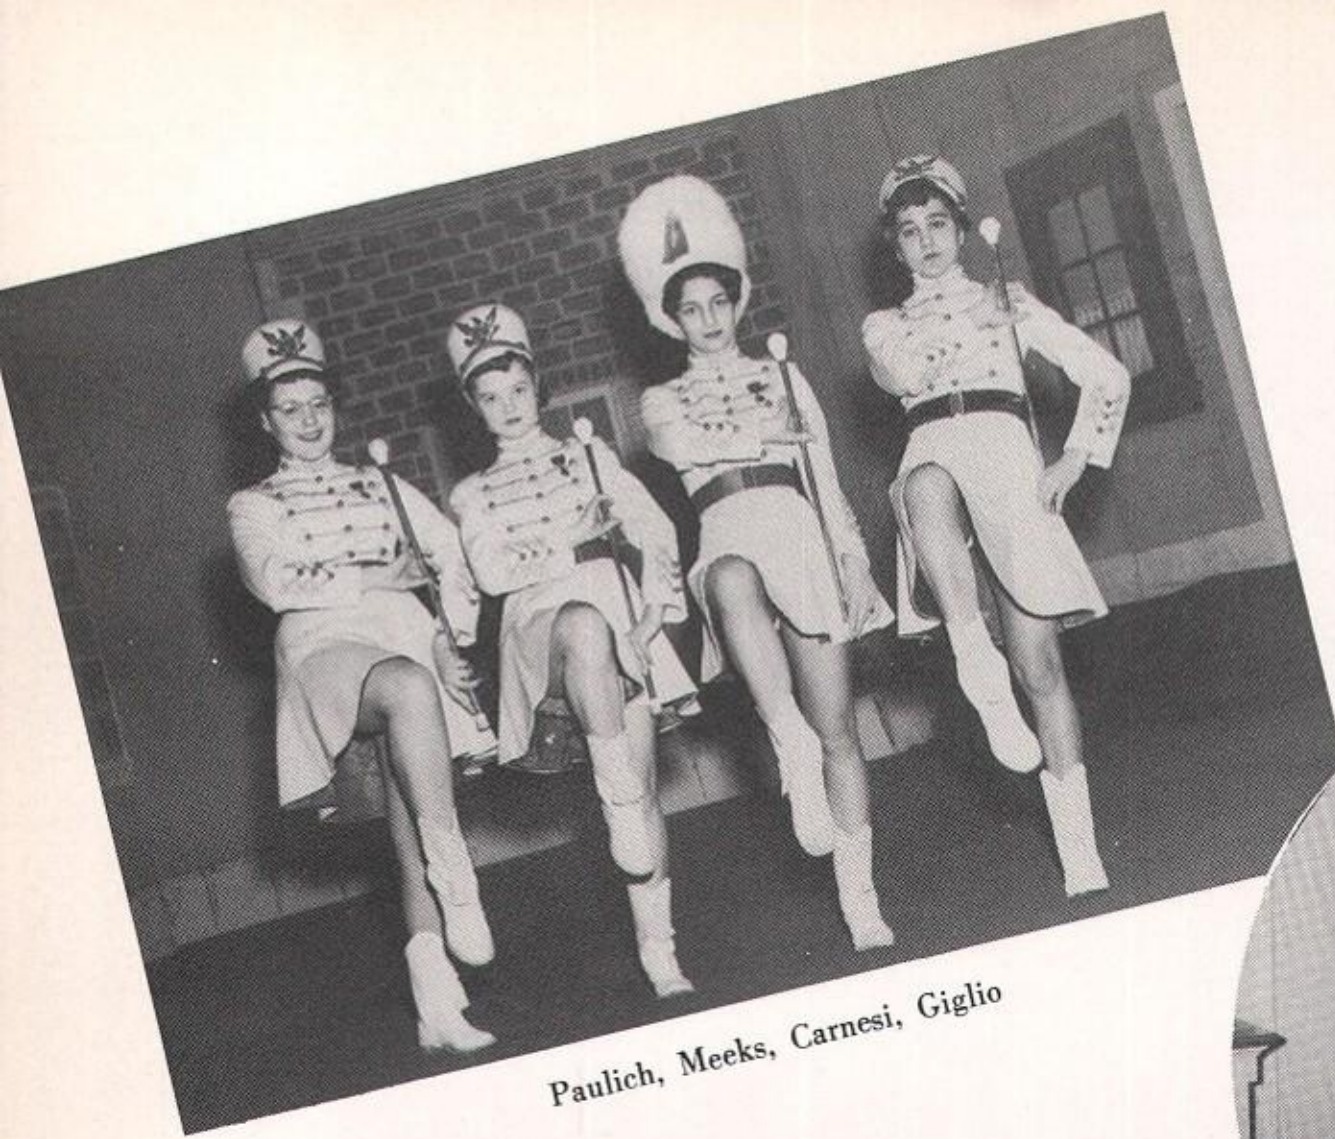

Each activity of the club brought it closer to fulfilling its aims to promote an interest in dramatics and to assist in school and community stage presentations.

The year was terminated by a picnic at which everyone enjoyed refreshments and games.

# OUR BAND

The Mynderse Band, led during the first part of the year by Mr. Robert MacCubbin, came under the direction of Mr. Anthony Bucolo on April first. In the fall, concerts were presented for Stanton, St. Patrick's and First Ward students.

Le Cercle Francais, sponsored by Mrs. Seld, consisted of twenty-three members. Twelve new members from the French I class were initiated in February. Monthly meetings featuring educational French games and puppet shows were conducted entirely in French. Movies depicting life in Paris and the French countryside, with dialogue in French, were shown many times throughout the year. These furthered the knowledge of French language and culture. The club held noon hour dances each Friday from December to February.

The year was climaxed by the annual banquet at the Armitage. At that time eligible seniors were presented pins.

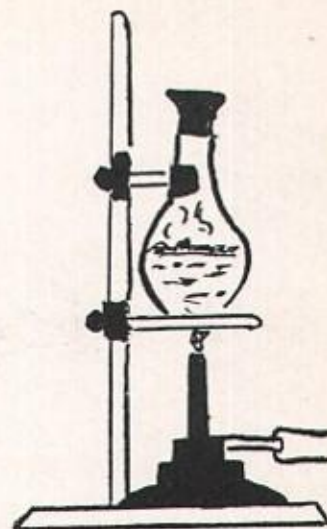

# SCIENCE CLUB

The Science Club, under the guidance of Mr. Samuel Dickieson, initiated as its main project for the year, the building and operation of a "ham" radio set. Weekly evening meetings were devoted exclusively to the study of radio construction and operation with Mr. William Ottemiller and Mr. George Fogg, Sylvania engineers, aiding club members with this project.

The members promoted scientific interest at the regular meetings by performing experiments and explaining them in scientific terms.

A trip to Cornell University and a picnic concluded the Science Club's activities.

Parker

M.A.'s esprit de corps enthusiastically led the crowds in cheers for Blue Devil victories. For Basketball season, the Varsity donned snappy new uniforms—navy blue short-sleeved sweaters and white skirts. Both squads worked tirelessly perfecting shorter, more spirited cheers for the Mynderse rooters.

## FOOTBALL

Mynderse Academy gridders captured their third successive Wayne-Finger Lakes Football title since 1950. This is the third straight season the Blue and White have gone undefeated in league play. In their last 32 games, they won 29 and lost 3, including a 16 game winning streak. This year's only loss was to Newark in a non-league game.

Three varsity boys were honored with All-State honors: Mac McComb made the first team, while Harry Eno and Bruno Lombardo received honorable mention.

A big factor in the team's fine record was the outstanding coaching of Coaches Davis and Koska.

Peter Wormuth won the 220 Finger Lakes Championship, while teammate, Dick Jarrett, won the Finger Lakes Championship in the mile.

Two school records were shattered this year by two members of the team: Dick Jarrett set a new mile record at 4 minutes and 51.4 seconds; Italo Cosentino high jumped 5 feet, 8 inches for a new record.

## 1953

For the second consecutive year, the Blue Devil nine went undefeated, winning both the conference and the sectional championships.

Mynderse exhibited a very strong offense and a very tight defense, collecting almost twice as many hits than did their opponents.

John Pannucci, ace right-hander, received both the Most Valuable Player Award and the Highest Batting Average Award.

Coached by Mr. Scutt and managed by Joe Peone, the team was in the capable hands of Captain Pannucci.

Lost through graduation are John Pannucci, Dave Rogers, Ralph Giglio, and Dick Yates.

The Junior Varsity team, made up of freshmen and sophomores, was coached by Mr. Winthrop and looked very impressive as they won 8 out of their 12 scheduled games.

## BOYS' SPORTS

For boys not playing varsity sports, a program of intramural activities is available. Supervised by Coach Davis, the sports program is built around a seasonal sport. This year, the participants were divided into a senior high and a junior high league.

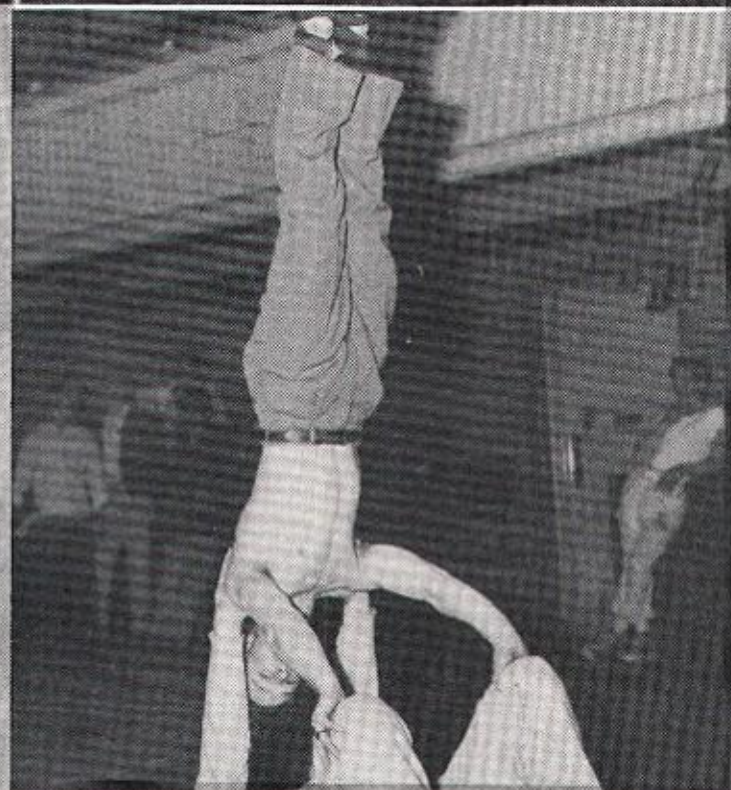

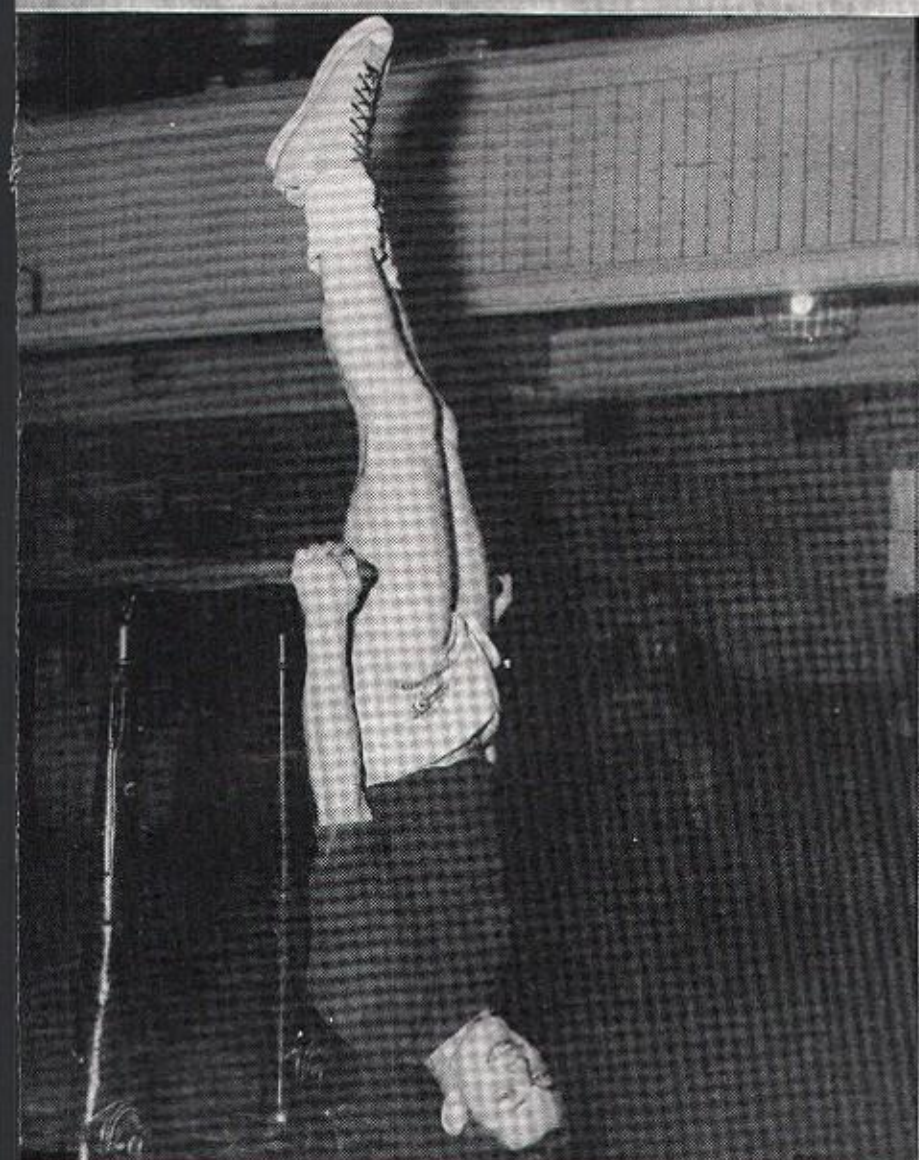

# BOYS' SPORTS

Among the sports enjoyed were touch-football, basketball, volleyball, and softball. Coach Davis initiated a wrestling tournament. Although this sport is relatively new to Mynderse this year, it proved a real success.

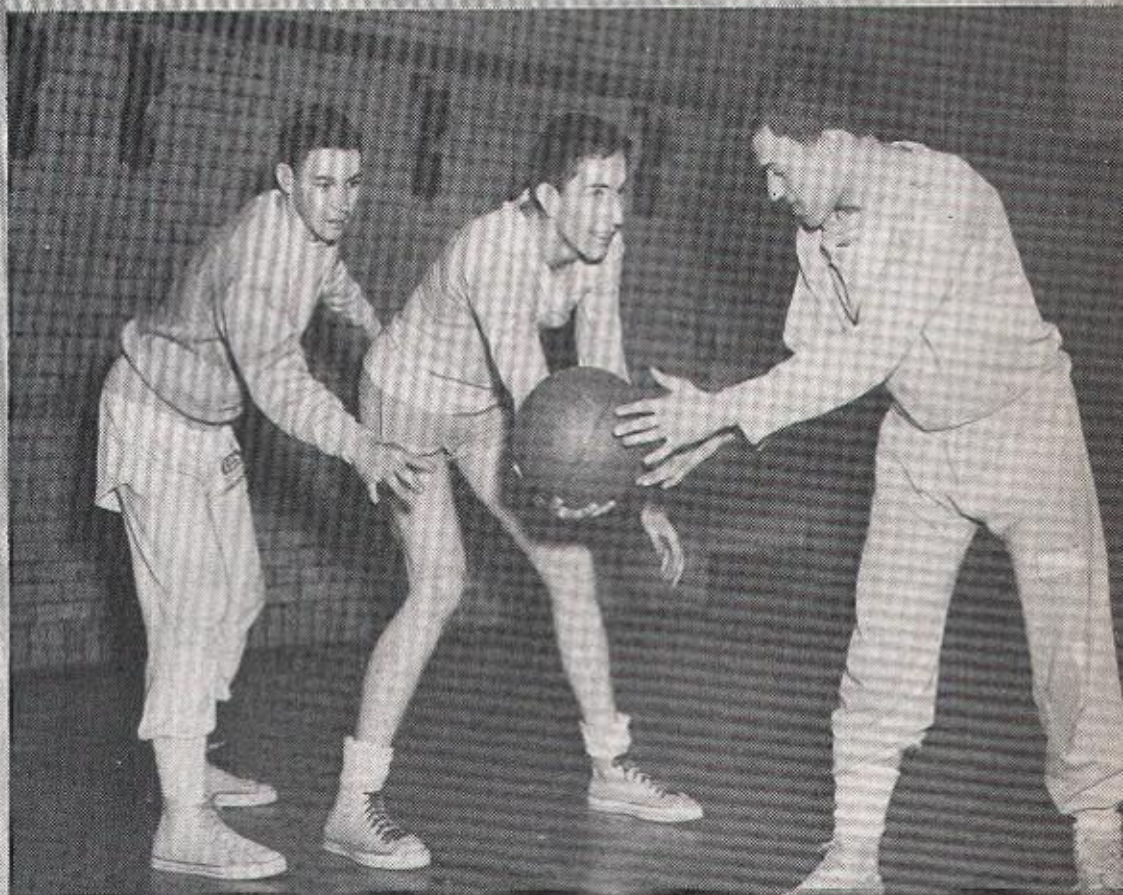

The 1953-54 intramural program was climaxed by the presentation of awards to the winners in both leagues.
